DISCLAIMER:—GEO. P. SEXAUER & SON give no warranty, expressed or implied, as to the productiveness of any seeds they sell and will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seed. If purchaser does not accept seeds on these terms, he must notify us at once and we will give disposition.

IMPORTANT NOTICE

Due to short crops and conditions beyond our control, stocks of several seed items are insufficient to supply the demand. In order to distribute such items on an equitable basis, we will allot our dealers as high a percentage as our stocks will permit based on their last season's purchases. As additional seed becomes available, this percentage will be increased and new orders taken care of. At present the following items are distributed on a percentage basis: ALFALFA, ALSIKE, HUBAM, and RED CLOVER. Prices listed are for information only.
